SAVIA

Scandinavian Warmth and Minimalist Comfort

The Savia sofa set combines the natural grain of oak with soft beige tones, bringing the famous bright atmosphere of Scandinavian style to your living space. Designed specifically for small and compact homes, its minimalist proportions offer maximum comfort without making the space feel cramped. With its clean design, stripped of unnecessary details, and its slim frame, it creates both a modern aesthetic and a sense of open space in your home.

SAVIA

Big Warmth in Small Spaces

The Savia dining room, where simplicity and functionality meet the warmth of oak, stands out with its balanced proportions optimized specifically for compact spaces. The buffet modules, which offer a sense of visual lightness through their combination of beige and light oak, create a serene and modern backdrop for the moments you share with your loved ones with their design stripped of unnecessary details.

SAVIA

A Serene Sleep at the Heart of Nature

The Savia bedroom brings the bright spirit of Scandinavian style into your most personal space. The soothing warmth of light oak tones is tailored to your comfort with options for wooden or upholstered headboards. With its minimalist proportions and streamlined frame, it creates a spacious “breathing” area in your room while evoking the serene essence of life.
