SOFA SET

Trento

Who wouldn't want to transform being at home into a delightful experience? Especially with a stylish and extravagant design... The Trento Sofa Set, with its spacious seating area and back support, is the result of impeccable craftsmanship. The ambiance it brings to the space allows you to create an inspiring life setting; warm, intimate, and eye-catching...

The Trento Sofa Set, with its timeless design, complements the collection with its clean lines. The choice of light-colored chenille and velvet-like fabrics adds an airy appearance to the environment, while the quilted stitching details on the arm and back sections complete the design.

The 3-seater and 2-seater sofas feature a relaxation back mechanism. The back mechanism allows for a single-person bed and provides a spacious seating area.

 DOGTAS.COM

Completing the color harmony with its geometric patterned cushions and integrating with the elegant black and walnut-colored legs, it offers a high-quality design.

The armchair is available in two alternatives: with a swivel metal base and with a fixed (black or walnut) base.

Both the sofa and armchair are available with black and walnut leg alternatives.

DINING ROOM

Trento

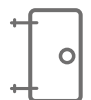

The Trento Collection has a minimalist aesthetic and a warm sandy beige decor that defines harmony in living spaces. The matte black handles and legs, completing the collection's design, also ensure its timelessness. The profile details on the covers add depth to all modules.

Offering practical solutions for small square meter homes with its modular structure and various size options, it also provides placement options for spaces of different volumes with its two separate console sizes.

Extendable Table

Cover Stop Feature

Exactly, that sentence means that the material meets the E1 standards and does not contain any carcinogenic (cancer-causing) substances.
